PROFESSIONAL EXPERIENCE

Project Delivery Head

Caret IT Solutions Pvt. Ltd., Gandhinagar | Aug 2023 – Present

- Lead end-to-end delivery of ERP programmes and custom software solutions, aligning scope, timelines and quality with client business goals.
- Manage a 35-member cross-functional team across concurrent client projects, ensuring on-time, high-quality delivery.
- Delivered 5+ ERP implementations, improving client operational efficiency by up to 30%.
- Define scalable solution architecture and automation to improve system performance.
- Introduced Docker-based deployments, improving scalability and reducing environment setup time.
- Translate business requirements into technical solutions and drive them through to successful go-live.

Team Lead

Caret IT Solutions Pvt. Ltd., Gandhinagar | Jul 2021 – Jul 2023

- Led engineering teams delivering multiple concurrent ERP projects for clients.
- Improved delivery efficiency through mentoring and process optimisation.
- Coordinated requirements, solution design and execution across stakeholders.
- Ensured timely, scalable and quality-focused delivery.

Senior Software Engineer (Python, Full Stack)

Bista Solutions Pvt. Ltd., Vadodara | Oct 2020 – Jun 2021

- Developed and optimised custom Odoo modules and third-party integrations in Python and JavaScript.
- Improved system performance and scalability.
- Delivered solutions for complex business requirements.

Software Engineer (Python, Full Stack)

Caret IT Solutions Pvt. Ltd., Gandhinagar | Jan 2017 – Sep 2020

- Built and customised ERP applications in Python covering sales, inventory and accounting processes.
- Executed end-to-end implementations and customisations across multiple industries.
- Supported end-to-end delivery and client requirements.

KEY PROJECTS

Agri Value Chain ERP – Project Lead

- End-to-end digital platform covering sourcing, logistics and exports.
- Implemented traceability and contract farming workflows.
- Enabled data-driven decision-making for large-scale operations.

FMCG Distribution ERP – Project Lead

- Implemented sales, inventory, accounting and CRM on one integrated platform.
- Enabled multi-warehouse management and workflow automation; approach presented at Odoo Experience 2024.

Construction Management System (Django & React) – Project Lead

- Built a web platform for managing sites, labour and materials.
- Developed a vendor selection system and deployed the platform on GCP.

VoIP Telephony Integration (Aircall) – Developer

- Developed an API and webhook integration linking calls to customer records, with click-to-call and automatic call logging.

EDUCATION

MCA – MIT College, Pune | 2014 – 2017

B.Sc. IT – Virani Science College, Rajkot | 2011 – 2014
